

Avalon PLUS Diploid Perennial Ryegrass

Avalon PLUS was bred in Australia as a replacement for Avalon. Avalon PLUS was crossed and bred to be more productive and later heading. Avalon Plus suits dryland medium to high rainfall regions and irrigation in Dairy, Beef and sheep systems as a durable quality perennial with robust maturity.

Key Features

- Improved density when compared to Avalon
- Bred for persistence under grazing
- Improved late season quality
- Reduced risk of ryegrass staggers

Region

Medium to high rainfall areas and is suitable for irrigation

Plant Characteristics

Avalon PLUS is a densely tillered plant with semi-erect growth and a fine leaf with a dense growth habit.

Maturity

Mid-late maturity, approximately 7 days later than Avalon and 14 days later than Victorian

Key Uses

Avalon PLUS provides quality late season feed where conditions allow and has improved upon Avalon's Winter feed with improved vigour.

Grazing

Robust persistent in medium to high rainfall dairy, beef, & sheep systems.

Disease and Resistances

Bred in a high rust pressure environment for improved resistance when evaluated against comparators.

Animal Health

Avalon PLUS is a low endophyte perennial ryegrass, therefore, the risk of ryegrass staggers is greatly reduced.

Mixes

Avalon PLUS is a strong grass as a sole variety in a pasture while also shining in mixes. Consider combining Avalon PLUS with annual clovers to fix nitrogen and further improve feed quality.

Avalon Plus features in three of AGF Seeds specialty mixes, TARGET Valley 650+ for high rainfall environments looking to achieve year-round feed, TARGET Ryegrass S&B for persistent and productive pastures in medium rainfall environments, and TARGET Oversow for rejuvenating pastures in high rainfall or irrigated environments.

TARGET Valley 650+

Avalon PLUS Perennial Ryegrass	30%
Marathon Perennial Ryegrass	30%
Excellate Cocksfoot	14%
Riverina Sub Clover	12%
Campeda Sub Clover	11%
Huia White Clover	3%

TARGET Ryegrass S&B

Avalon PLUS Perennial Ryegrass	30%
Marathon Perennial Ryegrass	30%
Riverina Sub Clover	20%
Rosabrook Sub Clover	10%
Narrikup Sub Clover	10%

TARGET Oversow

Avalon PLUS Perennial Ryegrass	34%
Rula Hybrid Ryegrass	33%
Xtend Italian Ryegrass	33%
